Bible Study		<i>1 Corinthians</i>	This hard-hitting Message of Paul Series will provide opportunities to explore the thought-provoking letters of Paul. The 7 books focus on diving into the realities of being a believer. Your group will engage in energetic dialogue as they deliberate on the dangerous, yet life-enhancing challenges Paul encountered and gave us wise counsel on. Paul wrote a tough letter to a tough audience—immature believers at the church in Corinth. The issues Paul was forced to address are not unknown to you and might even be exhibited by some of the members in your small group. Taking on Tough Issues is more than a parental letter to spiritual adolescents. It's a study guide that will remind small-group members how important it really is to continue to grow closer to Christ and how to relate to one another when wrongdoing and conflict invade your group and church.	13	Leader's Guide

New Believer		<i>Jesus 101</i>	Upon examining evangelism approaches over the past fifteen to twenty years, one would find that most of it has had a confrontational method at its core. The mission of this curriculum is carried out by allowing all of your students the opportunity of being a witness. Outreach	Bob Briner	<i>Roaring Lambs</i>	"Despite all the fancy buildings, sophisticated programs, and highly visible presence, it is my contention that the church is almost a non-entity when it comes to shaping culture. In the arts, entertainment, media, education, and other culture-shaping venues of our country, the church has abdicated its role as salt and light." Bob Briner wrote <i>Roaring Lambs</i> for one reason. He wanted the church to begin to shape culture instead of being shaped by it. And many Christian artists have heeded that call, including Michael W. Smith, Steven Curtis Chapman, Steve Taylor, Sixpence None the Richer, and others. For those who wish to engage our culture, and to shape it with the good news of God, this book is a must read.		Leader's Guide

Spiritual Growth	Richard Foster	<i>Celebration of Disciplines</i>	Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.	13 chapters	Book
